Dear Sir/Madam:

**Re: Regulatory Appeal 1909839**  
**Reclamation Certificate No. 00389417-00-00**

On March 26, 2019 the Alberta Energy Regulator (AER) hearing panel assigned to this proceeding granted an extension to Mr. Smith for the deadline to file his hearing submission to May 15, 2019.

As indicated in a letter from the panel on March 28, the extension of hearing deadlines requires rescheduling of the June 19, 2019 hearing. The panel received and considered comments from Mr. Smith, CNRL and RPG regarding a new hearing date during the weeks of July 8 and July 15.

**Revised Hearing Date and Schedule:**

The panel has decided that the hearing will commence on July 10, 2019 in Vermilion, with the following, revised schedule for hearing submissions.

Mr. Smith Hearing Submission	May 15, 2019
CNRL Hearing Submission	May 29, 2019
RPG Hearing Submission	June 12, 2019
Mr. Smith Reply Submission	June 26, 2019
Deadline for motions	July 3, 2019
Hearing Date	July 10, 2019

When setting the previous schedule for the hearing submissions, the panel provided three weeks between each submission to accommodate the time requirements for use of regular, Canada Post mail and the fact that Mr. Smith was unrepresented. Since Mr. Smith now has legal representation, the panel has determined that two weeks between each submission will be sufficient.
