Invitation for Feedback on Revisions to *Directive 081*

We are seeking public feedback on a new edition of *Directive 081: Water Disposal Limits and Reporting Requirements for Thermal In Situ Oil Sands Schemes*. The proposed changes encourage the use of alternative water sources, with the goal of minimizing the use of high-quality nonsaline make-up water at thermal in situ operations.

To provide feedback, complete the comment form available on the *Directive 081* webpage. Feedback or questions on the revisions to *Directive 081* should be sent by email to [Directive081@aer.ca](mailto:Directive081@ aer.ca). Feedback will be accepted until July 19, 2019. All feedback received will be reviewed and may be used in finalizing the directive. All of the comments provided through this consultation will form part of the public record and, at the discretion of the AER, any comments may be attributed to the specific individuals providing it. Personal information provided with comments will be collected, used, and disclosed in accordance with the *Freedom of Information and Protection of Privacy Act*. The AER may use the personal contact information you provide for follow-up communication related to your feedback.

The current and draft editions of *Directive 081* are available on the AER website, www.aer.ca. Printed copies can be purchased from AER Order Fulfillment, Suite 1000, 250 – 5 Street SW, Calgary, Alberta T2P 0R4; telephone: 403-297-8311 or 1-855-297-8311 (toll free; option 0); fax: 403-297-7040; email: InformationRequest@aer.ca.
